

# Instructions for using the Career Interest Inventories on WOIS.org

STEP #1: Enter the Site Key of **RWP794** in the box at the top of the page.

STEP #2: Try your network username:password. If that works, skip to step #3. If it doesn't work, click "Create a Portfolio" at the top of the page.

STEP #3: After creating a portfolio, you will be directed to the "home page." Links to career interest inventories are on the right hand side.
